Dear Western Museum of
Flight and docents,

I am grateful when
you let me touch all the
buttons in the Spirit of
76. You are great tour
guides. That's why I
enjoyed the tour. I
appreciated that you
invited us. I'm grateful
that you told us about
Charles Lindbergh and
Amelia Earhart. I enjoyed
the simulators especially.
I liked when you expla-
ined about the forces
of flight. Thank you for
teaching me the words
fuselage and empanage.

Sincerely,
Jackeline Soto
