Dear Western Museum of flight,  
Thank You for inviting us to your Museum.  
We had lots of fun. You were so nice  
letting my friend and me touch the buttons.  
The airplane we got on was very amazing.  
I also enjoyed playing with the Simulations.  
The best part was that I learned a lot  
of the history of flight.

Sincerely,  
Harolinda  
Ramos
