

THE K NEWS

The Kiwanis Club of Rolling Hills Estates

Reporter: J Campbell

President: Richard Sherman

February 2012

From the Desk of Dickie:

Well, we just had our most successful membership growth of the last ten years and it really was a group effort with four different club members bringing in an abundance of new talent. All of the new members are participating in our ongoing endeavor to help improve the lives of people in our community. I hope to continue on the road of club expansion. I know there are some concerns about the size of our meeting room, but I love the challenge of expanding our available space to the point where our limited square footage is no longer an encumbrance. I would like to make Natalie the most successful membership chair in the history of our club. One member a month for the rest of the year should do it.

However, our more immediate challenge is the procurement of new sponsors for the marathon. King George is already performing his nagarama routine and punishing us to make the maximum effort. Joanie Keluche is continuing her never ending quest to top her sponsor totals from previous years. Joanie is more than willing to share her formidable expertise in the area of sponsor procurement. John Williams has suggested a training session after one of our meetings, so stay tuned.

Our club is on an all-time high and hopefully the possible loss of our major sponsor can be made up by applying all the intelligences we possess to make up the difference for the people we help.

Thanks for all you do,

Presbe6 Dickie

Upcoming Events:
