"KNIGHTS OF THE BLIND"

Helen Keller spoke to the Lions at the 1925 International Convention and asked: "Will you not help me hasten the days when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?"

Lions have met this challenge for 84 years and, today, Lions continue to answer the call:

LIONS SERVE

- Lions have donated millions of dollars to emergency relief projects such as the 9/11 Relief Fund, Tsunami Relief, Pakistani Earthquake Relief, U.S. Hurricane Relief and Australian Wildfire Disaster Relief.
- In 18 years of the SightFirst program, Lions have restored sight to 7.3 million of those blinded by cataracts, prevented serious vision loss for 27 million, and improved eye care services for hundreds of millions worldwide.
- Lions grants of $365 million since 1990 have provided sight-restoring surgery and helped combat diseases such as river blindness and diabetic retinopathy around the world.
- Lions participate in eyeglass recycling for third-world countries, providing each year over 6 million underprivileged people with eyeglasses.
- Local Lions Eye Mobile Unit—Provides free eye & hearing exams for community members.
- Local Lions support the City Of Hope cancer research and treatment programs.
- Local Lions support Canine Companions' dog training programs for the blind and disabled.
- Local Lions provide scholarships and support other individuals or groups as needed.
