

**Rolling Hills Preparatory School
Flexible Tuition Application
Monthly Expense Worksheet**

In addition to the PFS, please complete this sheet noting your family's monthly income/expenses. For annual, quarterly or intermittent items such as insurance premiums and property taxes, please calculate a monthly amount. If you have additional information or comments on any areas, please attach them to this form. Please return this form along with your completed tax returns (including all schedules) as early as possible in the application cycle as our flexible tuition pool is limited.
